Position Summary & Responsibilities

This position performs administrative and supervisory duties as needed to plan, organize and coordinate the day-to-day fleet and facilities operations including transit bus fleet maintenance, repair and parts procurement, fleet & facilities safety compliance, facilities maintenance & repair and surplus property and equipment disposal. Provides general supervision of Facilities Maintenance Specialist, Fleet & Facilities Maintenance Worker and Fleet Mechanic. This position reports to the Transit & Facilities Operations Director. A detailed job description can be viewed at www.ncrtd.org.

Qualifications

Graduation from college with bachelor's degree in public facilities management, fleet administration or a directly related field; **five** (5) years of progressively responsible experience performing above or related duties, two (2) years in a supervisory capacity; **OR an** equivalent combination of education and experience related to "rolling stock" management and facility maintenance. Must possess a valid Driver's License with a satisfactory driving record. Must be able to obtain a CDL Class B license with passenger (P) endorsement within three months of employment with the District.

About the District

In March 2003, the New Mexico State Legislature (SB 34) authorized the formation of Regional Transit Districts (RTDs) and subsequently in September 2004 the NCRTD was recognized by the New Mexico Transportation Commission as the first RTD in New Mexico. The NCRTD provides commuter, fixed route, Para-transit and demand response transit services within the counties of Los Alamos, Rio Arriba, Santa Fe and Taos, the cities of Espanola, Edgewood, and Santa Fe and to six Pueblo's located within the RTD boundaries. The individual transit systems within the RTD are municipal partners. The Districts service area is in excess of 10,000 square miles.

Closing Date

First review of Applicants will take place on August 15, 2016. The position will remain open until filled.

How to apply:

Interested candidates must submit a completed District application to: HR Office, NCRTD, 1327 N. Riverside Dr., Espanola, NM 87532 or via email to dariav@ncrtd.org

The NCRTD is an EEO/AA Employer. Title II of the American with Disabilities Act and Section 504 of the Rehabilitation Act prohibit discrimination on the basis of disability in public programs. Individuals with disabilities who need a reasonable accommodation to participate in the hiring process or who require information in an alternative format must include this request in their letter of interest.

North Central Regional Transit District

Job Description

Title:	Fleet & Facilities Maintenance Manager	Code:	
Division:	Fleet and Facilities	Effective Date:	04/13
Department:	Operations	Last Revised:	

GENERAL PURPOSE

Performs **administrative and supervisory duties** as needed to plan, organize and coordinate the day-to-day fleet and facilities operations including transit bus fleet maintenance, repair and parts procurement, fleet & facilities safety compliance, facilities maintenance & repair and surplus property and equipment disposal.

SUPERVISION RECEIVED

Works under the general supervision of the Transit & Maintenance Operations Director.

SUPERVISION EXERCISED

Provides close to general supervision of Facilities Maintenance Specialist and Fleet & Facilities Maintenance Worker.

ESSENTIAL FUNCTIONS

Assists in development and management of budgets for expenses including supplies, repairs, and other needs; monitors expenditures and account balances to ensure compliance with established spending limitations and financial management objectives.

Manages fleet fuel credit card program; recommends and implements policy and practice related to fuel card use; monitors driver compliance with established guidelines; generates daily, monthly, and quarterly reports to review and analyze fuel consumption and forecast operational demands.

Manages and oversees the maintenance and administration, utilizing fleet maintenance software, of all aspects of the organization's fleet transportation vehicles; oversee all operations for transit fleet vehicles, including the procurement, servicing, operation, maintenance, and repairs of NCRTD vehicles.

Monitors, evaluates, and improves operations related to the efficiency, safety, and financial effectiveness of the fleet; researches, evaluates, and participates in the procurement and negotiation of vehicle replacement, including the preparation of customized specifications for NCRTD needs.

Directs and performs safety inspections of all new and existing vehicles to ensure vehicles are in compliance with established laws, regulations, and policies; ensures the proper and timely repair of vehicles in violation of safety standards.

Serves as fleet operator trainer; acts as CDL examiner; trains drivers in pre-trip procedures and inspection processes; may conduct "maneuvering over the road" driving examinations; ensures compliance with New Mexico and Federal DOT commercial driver licensing laws, rules and regulations.

Assists the Transit & Maintenance Operations Director as needed and acts as the Transit & Maintenance Operations Director in his absence as assigned by the Executive Director.

Directs and monitors off-site maintenance and repair of vehicles; establishes effective working relationships with contract service providers as needed to expedite the completion of maintenance and repair to return vehicles to operation and service; monitors quality of services received; directs and oversees emergency repair and recovery functions for roadside vehicles; develops schedules for vehicle maintenance and repair and ensures adherence to such schedules.

Manages and coordinates the acquisition of vehicles, materials, equipment, parts, etc., in compliance with NCRTD Procurement Codes; solicits bids according to established guidelines; participates in making bid awards to most responsible bidders; maintains stock and supplies to meet maintenance and servicing needs for both fleet and building needs and to direct related inventory functions.

Manages the final disposition and disposal of shop waste and surplus equipment, including used NCRTD vehicles according to all laws and regulations; maintains all records and requirements for the fleet, including vehicle registrations, inspection records, repair records, and records for warranties, etc.

Manages, oversees and administers, utilizing facilities maintenance software, the maintenance of all aspects of the organization's Administrative, Operations, and Maintenance Facility (The Jim West Building); ensure that all building systems continue to operate efficiently and that the physical condition of the facility does not deteriorate; ensures that all building features are in compliance with all regulations and policies.

Maintains records for maintenance and repair work on the facility and to record all safety inspections; develops schedules and priorities for maintenance and repair work on the facility and ensures the adherence to such schedules; ensures compliance with facility safety standards.

Manages the construction and maintenance of infrastructure associated with bus line stops and passenger waiting areas; oversees installation of signage and postings related to infrastructure needs and requirements.

Performs other related duties as required.
